jackjumpiest @abobalainif stop trying to make people classify zakk as a communist to try to join the 1% with Christianity is a real religion Mohammed is a load of old shit and no one should follow him or copy his actions because he got married to a 6 year old and raped her at 9 but somehow you all think that that's ok when it's not ok the

Mark Wyatt I saw them smoke metallica as the opener. The let down right. Come on! Demon alcohol cd had just come out and they played most of it.

Chuck Henning Is it me or did his hair get thicker? And I never knew Zakk had a chin.
